Allergens: We use ingredients containing allergens as part of the preparation of food in all of our eateries. We also cook different foods with the same equipment. It is not possible to guarantee that any product is 100% free from any allergen due to the risk of cross-contamination in our kitchens. Intended allergen ingredient information for all items on our menu is available on our allergen portal via our QR code. We cannot make changes to our menu items and currently do not provide details of any 'may contain' allergen statements. If this causes you concerns due to the severity of your allergy please consider carefully before ordering. We are reviewing how we improve this in future \*Some of our meat/fish dishes may contain bones UK
