### Accessible Accommodation

#### **4-bedroom accommodation – Exclusive 281**

This provides two storey accommodation with five bedrooms (one accessible), accessible living accommodation and kitchen.

**Longford: 4 Bed Exclusive**

## **Parking**

Designated accessible parking is provided adjacent to the accommodation

## **Maximum Occupancy**

This accommodation is a dual use accommodation, meaning that it can be booked by guests requiring use of the accessible bedroom or not. The facilities provided are sufficient for eight adults. The accommodation may therefore only be booked for parties of eight, not ten. (Please refer to booking conditions regarding children under two years).

There is access for guests using wheelchairs throughout the ground floor of the accommodation.

## **Accessible Bedroom**

This is provided with one Bakare Volker 3082 adjustable 914mm x 1828mm (3ft) bed. There is a tracked hoist in the bedroom, covering the bedroom only, it does not extend into the bathroom. Please note slings **will not** be provided, please ensure you bring these with you if required. An emergency alarm pull cord is present. There is also one standard single bed in this room.

The en suite bathroom provides accessible flip down shower seat, wash hand basin and toilet. An emergency alarm pull cord is provided at the shower.

Emergency alarms are audible throughout the accommodation but are not connected to a central location.

## Kitchen

The hob is at counter height 900mm. A further work surface at 750mm height is also provided. The microwave is accessible at 750mm height. The oven is at low level with side opening door.

There are sufficient floor-based cupboards to provide accessible storage. However, there are also wall mounted cupboards which are not accessible from a wheelchair.

## Living Accommodation

There is seating for eight in the lounge area. In addition, a high seated firm chair is available within the accommodation. There is also space within the lounge area for a person using a wheelchair to remain seated in their wheelchair.

There is level access to the patio via the accessible dining area and the games room.

There is a downstairs games room which also has level access.

## **Sauna, Steam Room, Shower & Hot Tub**

The sauna, steam room and power shower, accessed across the patio from the adapted bedroom have level access and doors which allow wheelchair entry. Wheelchairs with metal fitting will become sufficiently hot to burn in the sauna and steam room. Guests should be able to transfer from their wheelchairs in order to use these facilities.

The external hot tub is provided with an Oxford 140 Dipper hoist. The maximum safe working load is 140 Kg (308lbs). Please note slings **will not** be provided, please ensure you bring these with you if required.

## Whirlpool Baths

If the jets in the Whirlpool baths which are fitted in the upstairs bathrooms to the double bedrooms are continually covered for significant lengths of time they become hot.

This makes the baths unsuitable for guests with a sensory impairment who would fail to detect the gradual warming only for very short periods of use.

For guests with lower limb mobility restrictions (or particularly for those with lower limb mobility restrictions accompanied by sensory impairment) extreme care must be exercised in using the aeration function on the baths.

## **Accommodation without Adaptations**

There is a variety of accommodation styles and types, ranging from one-bedroom apartments, through to four bedroomed lodges.

The majority are single storey; however, some executive and exclusive accommodation are two storey.

Due to the forest location, paths to accommodation may be narrow, long, steep or stepped.

Parking for accommodation is in the main car park.

Internally, accommodation may not provide wheelchair access into any or all of the rooms. Manoeuvring space may be restricted, and bathrooms and kitchens are not adapted.

If you require further information on a particular accommodation and its location, please contact the Guest Careline.
